COMPLAINT FOR A CIVIL CASE**NOTICE**

Federal Rule of Civil Procedure 5.2 addresses the privacy and security concerns resulting from public access to electronic court files. Under this rule, papers filed with the court should *not* contain: an individual's full social security number or full birth date, the full name of a person known to be a minor, or a complete financial account number. A filing may include *only*: the last four digits of a social security number, the year of an individual's birth, a minor's initials, and the last four digits of a financial account number.

Except as noted in this form, plaintiff need not send exhibits, affidavits, grievances, witness statements, evidence, or any other materials to the Clerk's Office with this complaint.

In order for your complaint to be filed, it must be accompanied by the filing fee or an application to proceed in forma pauperis.

I. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.
